

# Community Guidelines

**Effective Date:** Upon Public Launch of SeniorsUnited.com

Welcome to SeniorsUnited. These Community Guidelines (“Guidelines”) outline how members of our community are expected to engage on our platform. SeniorsUnited is built on shared values, respect, and action. By participating in our platform, you agree to uphold these Guidelines.

## How We Show Up — What’s Welcome, What’s Not

At SeniorsUnited, we believe democracy works best when people show up with respect, clarity, and purpose. This space is built for honest conversation, shared values, and action that moves us forward together. What’s welcome: curiosity, constructive debate, listening as well as speaking, and treating each other with dignity. What’s not: harassment, personal attacks, spam, or disinformation that undermines trust. These Guidelines aren’t just rules — they’re how we keep this community safe, strong, and focused on what matters most.
